FOREWORD

The Office of Institutional Research, Planning, and Assessment (OIR) is pleased to present the twenty-third edition of the Northern Virginia Community College (NOVA) Fact Book. This edition of the Fact Book is designed to serve as a readily available source of information about the College. As in the past, all the information from the previous editions is updated, following a similar format in order to allow users to make comparisons based on longitudinal data.

The NOVA Fact Book contains chapters on the College's student enrollment, graduates, personnel, finances, facilities, and support services. Chapters 7 to 12 of the Fact Book present data for each of the six campuses separately.

Data and information were also included from several College services, such as the Budget Office, Office of Facilities Planning and Support Services, Media Processing, and Student Financial Aid and Support Services. The cover was designed by the Office of Public Information and Publications (Graphics). We thank the above-mentioned units of the College for their continued cooperation and assistance.

The Office of Institutional Research, Planning, and Assessment would appreciate your comments about the NOVA Fact Book and suggestions for future editions. E-mail your comments and suggestions to ggabriel@nvcc.edu or call the office at (703) 323-3129. We welcome your input. The Fact Book is updated annually and can be found on our homepage at www.nvcc.edu/oir.

D. The Campuses and the Extended Learning Institute

- Alexandria Campus

The Alexandria Campus is located in Alexandria and primarily serves the residents of the City of Alexandria, Arlington County, Falls Church and eastern Fairfax County. The campus grew from one building constructed on a 22.5 acre site in 1969 to three buildings on 51.4 acres in 1980. Additions to the original Bisdorf Building and the Engineering/Automotive Technology Building were opened in 1980. In that year, the John Tyler School was also purchased from the City of Alexandria and incorporated as part of the campus. The Alexandria Campus also maintains classrooms in leased facilities at off-campus locations. The Rachel M. Schlesinger Concert Hall and Arts Center was completed in 2001. In Fall 2006, under the auspices of the Alexandria Campus, the Arlington Center opened for classes.

- Annandale Campus

The Annandale Campus is located in central Fairfax County and primarily serves the residents of the County. This campus began as one building constructed in 1967 on a 78 acre site. In 1969, three additional buildings were erected and the TV/Technical Building followed in 1970. The Nursing Building was completed in 1972. The Brault Building, which houses college staff, was completed in 1984. The Richard J. Ernst Community Cultural Center, which serves the College and the community, was completed in 1990. The McDiarmid Building was completed in 1997. In Spring 2006, work was completed on a six-level, 825-space parking garage for faculty, staff, students, and visitors. The Annandale Campus also provides off-campus instruction at various locations.

- Manassas Campus

The Manassas Campus is located in western Prince William County on a 100-acre site next to the Manassas National Battlefield. The campus primarily serves the residents of western Prince William and Fairfax counties and the cities of Manassas and Manassas Park. - Medical Education Campus

The Medical Education Campus (MEC) opened in the Fall of 2003 in Springfield. The MEC is a collaborative effort between NOVA, George Mason University, Virginia Commonwealth University, and regional public school systems. The MEC offers 10 health-related programs and features state-of-the-art classrooms and laboratories, dental clinics and a clinical practice site for nursing and allied health students. The MEC offers a special nursing program called Momentum 2 + 1 that specifically prepares graduates to transfer to the Bachelor of Science Degree in Nursing at George Mason University. The MEC is also a member of the NoVa HealthFORCE, an initiative of The Northern Virginia Health Care Workforce Alliance (NVHCWA), addressing issues in the Health Care profession.

- Woodbridge Campus

The Woodbridge Campus is located in eastern Prince William County and primarily serves the residents of the county. Classes were offered in temporary, community facilities from 1972 through 1975. - Extended Learning Institute

The Extended Learning Institute (ELI) developed its first distance education courses in January 1975, and now offers over 175 courses taught by approximately 80 NOVA faculty. Course offerings are designed to provide learning opportunities to those who may not be able to take advantage of the more traditional classroom-based courses. ELI students use television, video, computer conferencing, voice mail, and printed and electronic materials that are chiefly self-instructional. The following associate's degrees may be completed through ELI entirely online: Accounting, Business Administration, Business Management (including two specializations: Administrative Support Technology and Public Management), General Studies, Information Technology, Liberal Arts, and Social Sciences, as well as all courses for several different certificate programs.

F. Student Type

First-time students are those attending college for the first-time; transfer students are those who attended another college prior to coming to NOVA for the first time, regardless of whether they transferred credits.

Over the period from Fall 2005 through Fall 2009, the percentage of first-time students fluctuated from 18 percent in Fall 2005, to 26 percent in Fall 2006, back to 18 percent in Fall 2009. Fluctuations in returning/reapplying students followed a similar but opposite pattern; these students comprised 72, 68, and 73 percent of the student population during the same time period. The percentage of transfer students also fluctuated between 7 and 10 percent during this time period, with 10 percent for Fall 2009.

IV. Results of NOVA Graduate Survey

The NOVA Graduate Survey seeks information on the graduates' current education and employment. It also gives the graduates an opportunity to rate the quality of their educational experiences at NOVA in terms of instruction, faculty, services, and facilities.

Table 2.7 presents the number of survey respondents, the graduates' education and employment status, and their median salary information for 2005, 2006, and 2008. A full report on the graduate survey results is published annually by OIR.
